LoveYourself,

Telemedicine consultation is not a substitute for a regular face-to-face consultation at an outpatient clinic due to its inherent limitations, like among others the inadequacy of physical examinations, and/or lack of access to medical tools and difference between the accuracy of treatment using only photographs or videos as compared to face-to-face clinical assessment, and/or physical presence in the clinic setting.

This document is solely for the use of the patient above-named. Any alteration, copying, distribution, or any act of forgery and/or use by any other person other than the above-named patient without the knowledge and consent of the undersigned physician is **STRICTLY PROHIBITED**.

Any person who commits acts in violation thereof shall be held liable in accordance with the law. Please immediately notify the undersigned physician in case of any suspicious use of this document.
